

# Memorandum

Date: September 1, 2015

To: Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

Agenda Item No. 8(F)(7)

From: Carlos A. Gimenez  
Mayor

Subject: Recommendation for Approval to Establish a Pre-Qualification Pool: Specialty Printed Products, Finishing Supplies, and Mechanical Binding Services

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of a pre-qualification pool, *RTQ-00140*, for the purchase of specialty printed products, finishing supplies, and mechanical binding services for the Internal Services and Transit departments. This pool includes 12 groups, each offering a unique specialty printed product or mechanical binding service.

The Internal Services Department will use this pool to support its Print Shop operations including, but not limited to, the purchase of high-quality digital color printing/reproductions on various materials and substrates, tradeshow displays, and oversized prints, finishing, and lamination. The Transit Department will use this pool to purchase printing, installation, and removal of various decal and wrap services for its vast transportation infrastructure (i.e., Metrobus, Metrorail and Metromover vehicles, stations, shelters, and other facilities).

## Scope

The impact of this item is countywide in nature.

## Fiscal Impact and Funding Source

The fiscal impact for the eight-year term is \$1,520,000. This pre-qualification pool consolidates two (2) current pre-qualification pools providing similar services: *Pool No. 9227-4/15, Specialty Printed Products and Finishing Supplies* for five (5) years and six (6) months with an allocation of \$1,565,000 and *Pool No. 9237-4/16, Mechanical Binding, Envelope Converting and Specialty Fulfillment Services* for six (6) years with an allocation of \$540,000. A single replacement solicitation was issued to reduce the administrative overhead required to issue multiple purchase orders for like services. The replacement pool's allocation is based on historical spend under the current pools and the user departments' projected needs over the term of the pool.

Department	Allocation	Funding Source	Contract Manager
Internal Services	\$800,000	Internal Service Funds	David Campos
Transit	720,000	MDT Operating Funds	Angel Castro
Total	\$1,520,000		

## Track Record/Monitor

Roma McKenzie of the Internal Services Department is the Procurement Contracting Officer.

## Delegated Authority

Upon approval of this item, a pool of pre-qualified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate amount of the allocation authorized by the Board. The County Mayor or the County Mayor's designee will also have the authority to (a) exercise all provisions of the solicitation documents and any resulting contracts pursuant to Section 2-8.1 of the County Code and

Implementing Order 3-38, and (b) add vendors to the pool at any time, subject to ratification by the Board on a bi-annual basis.

### **Vendor(s) Pre-Qualified for Pool**
